Clifton Health Department Food Recall Notification

Georgia, Illinois, Indiana, Kentucky, Louisiana, Maryland, Massachusetts, Mississippi, New Jersey, New York, North Carolina, Ohio, Oklahoma, Pennsylvania, South Carolina, Tennessee, and Virginia.

The best by date of the bottle is located on the side of the bottle cap. No serious illnesses have been reported to date in connection with this problem.

The recall was initiated after it was discovered that product smelled like cleaning agent.

Consumers should return the bottles to the place of purchase for a full refund. The recall should be carried out to the user level. Consumers with questions may contact the company at 540-721-2045.

This recall is being made with the knowledge of the Food and Drug Administration, Virginia Department of Health, and Virginia Department of Agriculture and Consumer Services.
