

Clifton Health Department Food Recall Notification

Food/Drug/Pet Recall: Lohxa, LLC

Lohxa, LLC is voluntarily recalling Chlorhexidine Gluconate Oral Rinse USP, 0.12% Alcohol free (NDC:70166-027-15) products bearing an expiration date from 01/31/21 - 03/31/21 (see specific lots below) to the consumer level. This product is sourced and repackaged from Sunstar Americas Inc. who has notified us the product may be contaminated with the bacteria Burkholderia lata.

Use of the defective product in the immunocompetent host may result in oral and, potentially, systemic infections requiring antibacterial therapy. In the most at-risk populations, the use of the defective product may result in life-threatening infections, such as pneumonia and bacteremia. To date, no adverse events have been reported to Lohxa, LLC related to this recall.

The prescription oral rinse product, available through institutional use only, is indicated for use as part of a professional program for the treatment of gingivitis and is packaged as follows:

Chlorhexidine Gluconate Oral Rinse USP, 0.12% Alcohol free is distributed in cases each containing 50 unit dose cups. Each case contains a colored label around the lid and body of the case.

The product can be identified by as shown in the images below:

Chlorhexidine Gluconate Oral Rinse USP, 0.12% Alcohol free was distributed to Nationwide to hospital pharmacies.

Lohxa, LLC is notifying its direct customers by Fedex overnight mail, electronic mail, phone call and is arranging for return of all recalled products. Patients, pharmacies, and healthcare facilities in possession of these products should stop using and dispensing immediately.

Consumers with questions regarding this recall can contact Lohxa, LLC by phone at 1-800-641-5564 or email info@lohxa.com on Monday-Friday from 8am-5pm EST.

Consumers should contact their physician or healthcare provider if they have experienced any problems that may be related to using this drug product.
