**January 22, 2021**

Due to the very high demand for COVID-19 vaccine, the Clifton Health Department Appointment Plus Registration System filled up within minutes. The City of Clifton only received 300 doses of COVID-19 vaccine for next week.

We are trying our best to accommodate the vaccine-eligible residents and are trying to obtain more vaccine for the upcoming weeks. Please be patient during these unprecedented times.

There are other vaccination sites available in Passaic County. The Passaic County Department of Health has a COVID-19 vaccination megasite in Woodland Park. Please visit [www.passaiccountynj.org](http://www.passaiccountynj.org) to schedule an appointment upon availability.

Clifton and Little Falls senior citizens without internet access can call the Clifton Health Department at 973-470-2039 for assistance.
