For Immediate Release  
August 17, 2021

Contact: Layal Helwani  
Health Educator  
973-470-5773

[Clifton] - The Clifton Health Department is continuing to hold **weekly Moderna vaccination clinics** for first and second doses on **Wednesdays from 9am-11am**. Please note that appointments are not required for these clinics, but if you wish to make an appointment to expedite your visit, please go to: <https://www.solvehealth.com/book-online/Avdk8g>

Additionally, the Clifton Health Department will be holding clinics for third doses of the Moderna vaccine **every Wednesday beginning August 25, 2021 from 9am-11am**. At this time, these clinics are **open to immunocompromised individuals ONLY**. Please see below for **eligibility requirements**.

**Both clinics will be held at Clifton City Hall, 900 Clifton Ave. in Clifton, under the vaccination tent across from Parking Lot #4.**

Please note that in accordance with the New Jersey Department of Health and CDC's guidelines, those currently eligible for third doses include:

- Individuals who have been receiving active cancer treatment for tumors or cancers of the blood
- Individuals with advanced or untreated HIV infection
- Individuals undergoing active treatment with high-dose corticosteroids or other drugs that may suppress immune response
- Individuals who have received an organ transplant and are taking medicine to suppress the immune system

*The Clifton Health Department is a contractual health agency serving the Township/ of Little Falls.*
