Please note that information highlighted in yellow reflects new and updated information.

Updated: April 4, 2020 5:30pm

(Clifton) - The Clifton Health Department, in consultation with the City Manager, Mayor and Council, understands that residents are concerned about the Coronavirus (COVID-19) pandemic.

Please note that the City of Clifton has had an **additional 58 cases since yesterday**, bringing the total case count to **416**. To date, Clifton has **5 deaths** related to COVID-19 complications. Please see attachment for additional information on cases.

On Sunday, 4/5/2020, Bergen County Community College will be open for COVID-19 testing **beginning at 8am and will remain open until it reaches its 500-test capacity. PNC Arts Center and William Paterson University testing sites will be closed tomorrow.**

As of 4/3/2020, the Centers for Disease Control and Prevention (CDC) recommends wearing cloth face coverings in public settings where other social distancing measures are difficult to maintain (e.g., grocery stores and pharmacies). The CDC advises the use of simple cloth face coverings to slow the spread of the virus and help people who may have the virus and do not know it from transmitting it to others. Cloth face coverings fashioned from household items or made at home from common materials at low cost can be used as an additional, voluntary public health measure.

Cloth face coverings should: fit snugly but comfortably against the side of the face, be secured with ties or ear loops, include multiple layers of fabric, allow for breathing without restriction, be able to be laundered and machine dried without damage or change to shape.

The cloth face coverings recommended are **not** surgical masks or N-95 respirators. Those are critical supplies that must continue to be reserved for healthcare workers and other medical first responders, as recommended by current CDC guidance.

For more information on cloth face masks, please visit: <https://www.cdc.gov/coronavirus/2019-ncov/downloads/DIY-cloth-face-covering-instructions.pdf>.

Please be aware that if you receive a call from the Clifton Health Department for case follow-up, there are specific questions we would ask. We would **never** ask for your social security number, so if you receive a call from anyone claiming to be a representative of the Clifton Health Department who asks for your social security number, please hang up immediately and report it to the Police Department at 973-470-5911.

We would like to take a moment to remind the community that all residents, regardless of age, need to take the COVID-19 pandemic very seriously and must practice the precautions mentioned below. **To help stop the spread, everyone must do their part.** Please **stay home** unless it is absolutely necessary to leave your home.

Due to a large volume of cases, you will notice that many of the boxes in the case information attachment are labeled “under investigation.” We are still in the process of following-up with individuals and obtaining this data. We will continue to update this spreadsheet as this information becomes available.

While we recognize that many people are concerned about the health status of infected individuals, please understand that the Clifton Health Department’s top priority is to stop the spread of COVID-19 in the community. **Our staff is inundated with following-up on cases and their close contacts and are unable to update the community with case-by-case status at this time. When possible, we will update the public with this information at a later time.**

Please be assured that the Health Department has been working diligently with the City administration to reduce the spread of COVID-19. We have been in constant communication with our Police Department, Fire Department, Office of Emergency Management, Department of Public Works, Clifton Board of Education, Boys and Girls Club, long-term care facilities, and other community partners, in collaboration with New Jersey Department of Health and Passaic County Department of Health Services.

We would like to remind you of basic preventative actions that should be followed during this pandemic. As per the Centers for Disease Control and Prevention, please be sure that you:

- Practice handwashing regularly for at least 20 seconds
- Cover your cough and sneeze with a tissue
- Avoid touching your eyes, nose, and mouth
- Clean and disinfect frequently touched objects and surfaces
- Stay home, especially when you are sick, and avoid close contact with people who are sick

In addition, be sure to practice the following social distancing measures:

- Keep a distance of at least 6 feet with other people
- Avoid unnecessary physical contact, such as handshaking
- Avoid attending crowded events and social gatherings. Consider replacing in-person gatherings with video chatting, voice messaging and phone calls

The City of Clifton urges residents to keep themselves busy. Consider going outdoors for fresh air and exercise, but be sure to keep a safe distance of at least 6 feet from other people. If you are walking your dog, please ensure the dog is leashed and licensed.

Please note that COVID-19 testing is only available for symptomatic individuals. Main symptoms include a fever of more than 100.4, coughing, and shortness of breath. Additionally, sore throat, nausea, and diarrhea *may* occur. **The Health Department does not test for COVID-19.** Testing can be done through medical providers; contact your healthcare provider to see if you are eligible for testing. Drive-through testing sites are also available. One testing site is Bergen Community College, located at 400 Paramus Rd., Paramus, NJ, 07562. PNC Arts Center, located at 116 Garden State Parkway, Holmdel, NJ, 07733 is now open as a testing site as of 3/23/2020. Passaic County's drive-through testing site is now open daily from 9am-12pm at William Paterson University, 300 Pompton Rd., Wayne, NJ 07470. This site is open to Passaic County residents only. All residents must have a prescription in order to get screened. For more information on testing sites, please visit covid19.nj.gov.

The Health Department will not be distributing masks, sanitizers, and other supplies to the public.

Out of an abundance of caution, the following locations in the City of Clifton will be closed to the public until further notice:

- Clifton City Hall
- Clifton Public Schools
- Fire Headquarters
- Clifton DPW Garage
- Clifton Senior Center
- Clifton Arts Center
- Boys and Girls Club of Clifton
- Clifton Recreation Center
- City Parks and Playgrounds
- Clifton Public Libraries
- Clifton Hamilton House Museum

The Clifton Animal Shelter will be closed to the general public, but appointments are available to come in. Please visit www.cliftonanimalshelter.com for more information or call 973-470-5936 with any questions.

Please be advised that effective 4/1/2020, the City Well is closed until further notice.

The Clifton Health Department is a contractual health agency serving the Township of Little Falls.

Additionally, the City of Clifton Rabies Clinics initially scheduled for Wednesday, 4/15, Wednesday, 4/22, and Saturday, 4/25 have all been cancelled.

Clifton Municipal Court sessions have been suspended until further notice.

Residents will be able to continue to conduct business with the City during the closure through use of the City's website. In addition, staff in each department will be available during regular business hours by telephone to assist residents and answer questions.

Seniors who are in need of a meal should call Margaret Nysk at 973-470-2249.

Attached you will also find a list of restaurants that are open within the City of Clifton. This list is ongoing and we will continue to add to it as we get more information.

Effective 3/21/2020, Governor Murphy has signed additional executive orders (Executive Orders 107 and 108) that include the following directives:

- Nearly ALL New Jersey residents are directed to stay home.
- ALL gatherings are cancelled.
- ALL non-essential retail businesses must indefinitely close their physical stores to the public effective 9:00pm on 3/21/2020.

ONLY essential businesses may remain, which includes:

- Grocery stores
- Convenience stores
- Food banks
- Pharmacies
- Medical supply stores
- Gas stations
- Banks
- Pet supply stores
- Restaurants and bars providing take-out and delivery only
- Ancillary stores within healthcare facilities
- Hardware and home improvement stores
- Banks and other financial institutions
- Laundromats and dry-cleaning services

The Clifton Health Department is a contractual health agency serving the Township of Little Falls.

- Stores that principally sell supplies for children under five years
- Pet stores
- Liquor stores
- Car dealerships, but only for auto maintenance and repair, and auto mechanics
- Printing and office supply shops
- Mail and delivery stores
- Mobile phone retail and repair shops (added 3/24/2020)
- Bicycle shops, but only to provide service and repair (added 3/24/2020)
- Livestock feed stores (added 3/24/2020)
- Nurseries and garden centers (added 3/24/2020)
- Farming equipment stores (added 3/24/2020)

Hospitals and health care facilities will remain open. Essential public health, safety, and social services will remain accessible.

Additionally, the order mandates that all businesses or non-profits, wherever practical, must accommodate their workforce for telework or work-from-home arrangements. To the extent a business or non-profit has employees that cannot perform their functions via telework or work-from-home arrangements, the business or non-profit should make best efforts to reduce staff on site to the minimal number necessary to ensure that essential operations can continue.

Examples of employees who need to be present at their work site in order to perform their job duties include, but are not limited to, law enforcement officers, fire fighters, other first responders, cashiers or store clerks, construction workers, utility workers, repair workers, warehouse workers, lab researchers, IT maintenance workers, janitorial and custodial staff, and certain administrative staff.

The Order continues existing bans on recreational and entertainment businesses, requirements that all restaurants operate by delivery and takeout only, and the directive that all pre-K, elementary, and secondary schools close and all institutions of higher education cease in-person instruction.

On 3/30/2020, Governor Murphy issued the following amendments to Executive Order #107:

- Auto dealerships will be permitted to conduct online or remote sales. Dealers will be authorized to deliver vehicles directly to their customers, or to arrange for curbside or service lane pickup at a dealership.

The Clifton Health Department is a contractual health agency serving the Township of Little Falls.

- Realtors can operate and show houses to prospective buyers on a one-on-one basis or to immediate families. There is still a prohibition on open houses.
- Golf courses are closed as recreational businesses.

On 3/23/2020, Governor Murphy enacted an additional executive order (109) mandating the following:

All elective surgeries and invasive procedures performed on adults that are scheduled to take place after 5:00pm on Friday, March 27, 2020 are to be suspended. In addition, all medical and dental operations that can be delayed without undue risk to the current or future health of the patient, as determined by the patient's physician or dentist, will be suspended.

On 3/25/2020, Governor Murphy also signed an executive order (110) requiring **all childcare centers who are not solely serving children of essential workers to close by April 1st.**

For general questions pertaining to COVID-19, please call the New Jersey Department of Health COVID-19 Hotline at 211 or text NJCOVID to 898-211. Please also feel free to visit <https://covid19.nj.gov/> for more information. For mental health-related concerns during COVID-19, call the Disaster Distress Hotline at 1-800-985-5990 or text "talk with us" at 66746. If you wish to get in touch with the Clifton Health Department for general COVID-19 questions, please email Health Educator Layal Helwani at Lhelwani@cliftonnj.org.
