Dear Citizens of Clifton:

Effective Monday, December 31, 2018 the City is implementing new solid waste and vegetative waste collection schedules. We will continue with two collections per week per section; however, we’ve condensed the number of sections for the entire City from three sections to two sections. Solid waste for Section 1 will be collected on Mondays and Thursdays, Section 2 will be collected on Tuesdays and Fridays, and Wednesdays will be reserved for collection of vegetative waste for the entire City.

Furthermore, in an effort to address the increased volume of recyclables, we are investigating increasing the number of Recycling Collections from once every three weeks to twice per month. If the analysis is favorable, and approved by the Governing Body, this added collection schedule will be implemented in 2019.

While many residents comply with the rules and regulations specified in the Recycling Guide, we still have some goals that we are determined to achieve, such as:

• Separate all recyclables from the solid waste stream
• Place the specified number of bulk items at the curb, on the first collection of the week
• Do not place television sets or other electronics components at the curb, bring to the DPW or call for assistance
• Remove empty containers after collection and store them on the side or behind your home

I appeal to all property owners and landlords to read and familiarize yourself with this brochure, to provide a copy to your tenants, and explain the laws and regulations to your tenants to stress the importance of recycling. Failure to adhere to these regulations will result in fines or other legal action against the landlord.

I encourage anyone with questions, complaints or suggestions to call the Department of Public Works (DPW) at 973-470-2237, or visit our website at www.cliftonnj.org. Additionally, I thank all sponsors for their generosity to help defray the costs associated with the printing and mailing of the Recycling Guide.

Thank you for your ongoing participation and cooperation in making our Recycling and our Clean Communities programs a success.

Sincerely,

Dominick Villano
City Manager
HOW AND WHAT TO RECYCLE CURBSIDE • QUESTIONS? CALL DPW @ 973-470-2237

Place all recyclables curbside the night before your scheduled day of collection.

- Glass: Bottles/jars only. Rinse and separate by color, brown, clear and green. Place each color in plastic or metal container.
- Aluminum Cans: All aluminum soda cans only! Crush to save space. Place in plastic or metal container.
- Steel Food Cans: Rinse all tin and bi-metal cans; soup, pet food, vegetable, fruit, coffee, tuna, etc. Place in plastic or metal container.
- Newspapers/Magazines/Junk Mail/Books: Must be placed in paper bags or tied in bundles not to exceed 50 lbs.
- Cardboard Boxes: All cardboard boxes (corrugated, shoe, tissue, cookie, packing and shipping, etc...) must be flattened. Folded or placed neatly in other boxes. Boxes must be clean of any food waste or other debris.
- Plastic Bottles/Containers: Only plastic bottles/containers labeled with #1, #2 and #5 inside a triangle found at the bottom of the container can be recycled. NO other types of plastic (labeled or not labeled) are allowable. Other types of plastic should be placed into your regular trash. Please rinse and place all plastic bottles/containers in a separate reusable container, along with your other separated recyclable materials according to the schedule in the Recycling Guide. Most importantly NO plastic bags of any kind will be collected! If you would like to recycle plastic bags, most grocery stores have a container in the front of the store for acceptance.

RECYCLING - DROP-OFF - DEPOT

The drop-off site, located on Recycle Road within the City Hall complex, is open Monday-Saturday from 7:00 a.m. until 7:00 p.m. Please separate all recyclables properly and do not leave any materials in bags or on the ground at the site.

Recyclables accepted are:
- Newspapers/magazines/junk mail/booklets
- Aluminum pie plates/trays
- Cardboard boxes (must flatten boxes)
- Metal Items/Appliances:
  - All beer and soda cans only! Crush to save space. Place in plastic or metal container.
  - Aluminum beverage cans
  - Cardboard boxes (must flatten boxes)
- Plastic (grocery) bags:
  - Plastic (grocery) bags can be recycled by bringing them to supermarkets and placing them in recycling containers.
- All cardboard boxes (cereal, shoe, tissue, cookie, packing and shipping, etc...) must be flattened. Folded or placed neatly in other boxes. Boxes must be clean of any food waste or other debris.
- All rigid plastic such as plastic lawn chairs, plastic doll houses and toddler pool toys can be recycled. Please call DPW at 973-470-2239 to arrange pickup.
- All metal items must be recycled - call 973-470-2239 to schedule an appointment. Federal law requires that all refrigerators (remove door for child safety), freezers and air conditioners have the refrigerant removed. These items will only be collected if there is a sticker or certification by a certified professional stating freon is removed.
- Construction Debris: All construction debris must be recycled and properly disposed of through a private contractor. Residents cannot place construction material at the curb. Should you have any questions regarding this matter please call the Building Department or the Department of Public Works.
- Car Tires: Residents should leave tires at the store when purchasing a new one. The city does not collect tires! Car Batteries: Residents should leave car batteries at the store when purchasing a new one.
- Motor Oil: Should be collected in a clean plastic milk or water jug by all residents, and brought to either a State Reinspection Center or a collection site.
- Propane Tanks: Are the responsibility of the homeowner. DO NOT place these tanks at curbside or in your trash collection. Tanks will not be collected and you may be subject to a summons.
- Household Hazardous Waste: The Passaic County Office of Recycling sponsors a Household Hazardous Waste Collection Day 1 time a year for date and location call the County at 973-305-5738.
