Please note that information highlighted in yellow reflects new and updated information.

Updated: June 5, 2020 7:30pm

(Clifton) - The Clifton Health Department, in consultation with the City Manager, Mayor and Council, understands that residents are concerned about the Coronavirus (COVID-19) pandemic.

With sadness, we are announcing an additional two COVID-19-related deaths reported to us today involving a 100-year old female and a 73-year old male. Our sincerest condolences go out to the family and friends of these community members. The City of Clifton now has a total of 134 deaths.

Of these deaths, 40 have involved residents at the Daughters of Miriam Nursing Home. Please be advised that this number is reflective of the deaths identified in the Communicable Disease Reporting and Surveillance System.

The City of Clifton has had an **additional 9 cases since yesterday**, bringing the total case count to **2,611**.

The Health Department is in the process of contacting earlier COVID-19 cases for follow-up. A "Follow-Up Status" column has been added to the spreadsheet attachment to give the community a better understanding of the number of recoveries so far. This column will be updated regularly as we receive information from follow-up interviews.

As a reminder, this count excludes all of the transfers, duplicates, and Little Falls cases, all of which are indicated on the spreadsheet attachment. Please see attachment for more information on cases.

On 6/5/2020, Governor Murphy announced that on June 15, 2020, in-person customer services will restart at Motor Vehicle Commission (MVC), with a variety of pick-up and drop-off services. One June 29, 2020, MVC aims to be able to offer behind-the-wheel road tests, and issue new licenses and permits.

On 6/5/2020, the Governor also extended the State's public health emergency for an additional 30 days.

On 6/3/2020, Governor Murphy signed Executive Order #150, permitting outdoor dining starting on Monday, June 15th. Establishments will be required to follow a number of COVID-19 health and safety protocols issued by the Department of Health, including a

limit of eight customers per table, and requirements of at least six feet of distance between parties. In addition, for as long as indoor dining is not permitted, food or beverage establishments are required to prohibit smoking in any outdoor areas designated for the consumption of food and/or beverages.

For more information on the Governor's Executive Order, please visit <https://www.nj.gov/infobank/eo/056murphy/pdf/EO-150.pdf>. For additional information on the health and safety protocols established by the Department of Health, please visit <https://www.nj.gov/governor/news/news/562020/docs/ExecutiveDirective20-014OutdoorDining.pdf>.

The Clifton Health Department is actively working on compiling guidelines that local restaurants must follow when obtaining approval for and implementing outdoor dining. More information will be made available in the next few days.

The Passaic County Board of Chosen Freeholders is offering free COVID-19 testing at home in partnership with Vault Health. This program is available to Passaic County residents only. Health insurance is not required. For more information, or to register, please check out this link: https://www.passaiccountynj.org/government/departments/health/at-home_covid-19_testing/index.php.

On 6/1/2020, Governor Murphy announced "Stage 2" of New Jersey's Recovery and Restart process, which includes the following:

- **Effective 6/15, outdoor dining at restaurants can begin and non-essential in-person can begin.**
- **Effective 6/22, salons and barber shops can re-open**

More details will follow as they become available.

Social distancing guidelines must be in place as these re-openings take place. For more information on phase two, please read the governor's latest press release at: <https://www.nj.gov/governor/news/news/562020/approved/20200601a.shtml>

On 5/29/2020, Governor Murphy signed Executive Order #149, which includes the following:

- **Child care centers may reopen effective 6/15**

- Non-contact organized sports activities can restart on 6/22
- Youth day camps can begin on 7/6

As a reminder, if these locations choose to reopen and if activities are to resume, health and safety protocols must continue to be in effect.

The State of New Jersey has recently authorized the more than 18,000 licensed pharmacists in New Jersey to administer FDA-approved or authorized COVID-19 tests to their customers without a prescription. Testing is available at participating pharmacies including CVS, Rite-Aid, and Walmart. Please check with your local pharmacist as testing is not available at all locations and many require an appointment or online registration. For more information, [CVS](#), [Rite-Aid](#) and [Walmart](#) have set up websites where you can book an appointment and find testing locations.

Appointments can be scheduled for COVID-19 testing at the Clifton Rite Aid, located at 1366 Clifton Ave. Appointments are required. For information on all Rite Aid locations that are currently offering testing, or to schedule an appointment, please refer to this link: <https://www.riteaid.com/pharmacy/services/covid-19-testing>.

Until further notice, the Bergen Community College (BCC) Testing Site will be open Sundays, Tuesdays, Thursdays, and Fridays. Each day the site is open, staff will be able to test 500 people starting at 8:00am. Effective Sunday, May 3, 2020, exhibiting symptoms is no longer a requirement for testing at BCC. However, the highest priority for testing will be given to health care workers and workers in congregate living settings, and symptomatic first responders, as well as to asymptomatic NJ residents who have been in close contact with someone else who has tested positive.

The PNC Bank Arts Center site will open at 8:00am on Mondays and Wednesdays for the general public and on Saturdays for health care workers and first responders only. Effective Monday, May 4, 2020, exhibiting symptoms is no longer a requirement for testing. However, the highest priority for testing will be given to health care workers and workers in congregate living settings, and symptomatic first responders, as well as to asymptomatic NJ residents who have been in close contact with someone else who has tested positive.

William Paterson University will be open for COVID-19 testing at 9:00am on Tuesdays, Thursdays, and Saturdays. You must have a doctor's referral/prescription to be tested. Residents under 18 must be accompanied by a parent or guardian. The updated testing schedule can be found at this link: <http://covid19.nj.gov/testing>.

Please note that there are additional pending cases in the system not reflected in these numbers. These numbers represent the cases in which we have initiated follow-up.

In the attachment, you will notice that we have now included ALL cases we have received so far, including Little Falls cases and transferred cases. This does not change today's total case count, and it is being done for our convenience in order to better track our cases. Additionally, due to a large volume of cases, you will notice that many of the boxes in the case information attachment are labeled "under investigation." We are still in the process of following-up with individuals and obtaining this data. We will continue to update this spreadsheet as this information becomes available.

As a reminder, at this time, we are unable to provide an update on the number of recoveries. As we begin the process of following-up with our cases, we will provide the community with this information at a later date.

If you receive a call from the Clifton Health Department for case follow-up, there are specific questions we would ask. We would **never** ask for your social security number, so if you receive a call from anyone claiming to be a representative of the Clifton Health Department who asks for your social security number, please hang up immediately and report it to the Police Department at 973-470-5911.

We would like to take a moment to remind the community that all residents, regardless of age, need to take the COVID-19 pandemic very seriously and must practice the precautions mentioned below. **To help stop the spread, everyone must do their part.** Please **stay home** unless it is absolutely necessary to leave your home.

To reduce your risk of coming into contact with COVID-19, as per the Centers for Disease Control and Prevention (CDC), please be sure that you:

- Practice handwashing regularly for at least 20 seconds
- Cover your cough and sneeze with a tissue
- Avoid touching your eyes, nose, and mouth
- Clean and disinfect frequently touched objects and surfaces
- Stay home, especially when you are sick, and avoid close contact with people who are sick

In addition, be sure to practice the following social distancing measures:

- Keep a distance of at least 6 feet with other people
- Avoid unnecessary physical contact, such as handshaking
- Avoid attending crowded events and social gatherings. Consider replacing in-person gatherings with video chatting, voice messaging and phone calls

As of 4/3/2020, the CDC recommends wearing cloth face coverings in public settings where other social distancing measures are difficult to maintain (e.g., grocery stores and pharmacies). The CDC advises the use of simple cloth face coverings to slow the spread of the virus and help people who may have the virus and do not know it from transmitting it to others. Cloth face coverings should: fit snugly but comfortably against the side of the face, be secured with ties or ear loops, include multiple layers of fabric, allow for breathing without restriction, be able to be laundered and machine dried without damage or change to shape.

The cloth face coverings recommended are **not** surgical masks or N-95 respirators. Those are critical supplies that must continue to be reserved for healthcare workers and other medical first responders, as recommended by current CDC guidance. For more information on cloth face masks, please visit: <https://www.cdc.gov/coronavirus/2019-ncov/downloads/DIY-cloth-face-covering-instructions.pdf>.

The Health Department does not have the capacity to distribute masks, sanitizers, and other supplies to the public.

The CDC has recently expanded its list of COVID-19 symptoms to include the following:

- Fever
- Cough
- Shortness of breath or difficulty breathing
- Chills
- Repeated shaking with chills
- Muscle pain
- Headache
- Sore throat
- New loss of taste or smell

Some people who are exposed may show mild symptoms, while others may show severe illness. Remember that symptoms can appear **anywhere from 2-14 days after an exposure.**

Out of an abundance of caution, the following locations in the City of Clifton will remain closed to the public until further notice:

- Clifton City Hall
- Clifton Municipal Court (sessions have been suspended until further notice)
- Clifton Public Schools
- Fire Headquarters
- Clifton DPW Garage

The Clifton Health Department is a contractual health agency serving the Township of Little Falls.

- Clifton Senior Center (Seniors who are in need of a meal should call Margaret Nysk at 973-470-2249)
- Clifton Arts Center
- Boys and Girls Club of Clifton
- Clifton Recreation Center
- Clifton Public Libraries
- Clifton Hamilton House Museum
- City Well
- Clifton Animal Shelter (appointments are available to come in. Please visit www.cliftonanimalshelter.com for more information or call 973-470-5936 with any questions)

In addition, for clarification, Clifton parks may only be utilized for walking, running or bicycling only. If you plan on attending a park, you must have a mask on (that covers your nose and mouth) at all times. There is to be no congregating or stopping at any time.

Residents are still able to continue to conduct business with the City during the closure through use of the City's website. In addition, staff in each department are available during regular business hours by telephone to assist residents and answer questions.

The following executive orders signed by Governor Murphy remain in effect:

Executive Orders 107 and 108, signed on 3/21/2020, that include the following directives:

- Nearly ALL New Jersey residents are directed to stay home.
- ALL gatherings are cancelled.
- ALL non-essential retail businesses must indefinitely close their physical stores to the public effective 9:00pm on 3/21/2020.

ONLY essential businesses may remain, which includes:

- Grocery stores
- Convenience stores
- Food banks
- Pharmacies
- Medical supply stores
- Gas stations
- Banks
- Pet supply stores
- Restaurants and bars providing take-out and delivery only
- Ancillary stores within healthcare facilities

The Clifton Health Department is a contractual health agency serving the Township of Little Falls.

- Hardware and home improvement stores
- Banks and other financial institutions
- Laundromats and dry-cleaning services
- Stores that principally sell supplies for children under five years
- Pet stores
- Liquor stores
- Car dealerships, but only for auto maintenance and repair, and auto mechanics
- Printing and office supply shops
- Mail and delivery stores
- Mobile phone retail and repair shops (added 3/24/2020)
- Bicycle shops, but only to provide service and repair (added 3/24/2020)
- Livestock feed stores (added 3/24/2020)
- Nurseries and garden centers (added 3/24/2020)
- Farming equipment stores (added 3/24/2020)
- Pet groomers, pet daycares, and pet boarders

Hospitals and health care facilities will remain open. Essential public health, safety, and social services will remain accessible.

Additionally, the order mandates that all businesses or non-profits, wherever practical, must accommodate their workforce for telework or work-from-home arrangements. To the extent a business or non-profit has employees that cannot perform their functions via telework or work-from-home arrangements, the business or non-profit should make best efforts to reduce staff on site to the minimal number necessary to ensure that essential operations can continue.

The Order continues existing bans on recreational and entertainment businesses, requirements that all restaurants operate by delivery and takeout only, and the directive that all pre-K, elementary, and secondary schools close and all institutions of higher education cease in-person instruction.

Executive order 110, enacted on 3/25/2020, requiring all childcare centers who are not solely serving children of essential workers, to close by April 1st.

Executive Order 107 amendments, signed on 3/30/2020, which include the following:

- Auto dealerships will be permitted to conduct online or remote sales. Dealers will be authorized to deliver vehicles directly to their customers, or to arrange for curbside or service lane pickup at a dealership.
- Realtors can operate and show houses to prospective buyers on a one-on-one basis or to immediate families. There is still a prohibition on open houses.

The Clifton Health Department is a contractual health agency serving the Township of Little Falls.

Executive Order 122, signed on 4/8/2020, stating the following:

- All essential retail establishments must indefinitely limit the number of customers allowed in their stores to NO MORE than 50% of their approved capacity
 - Additionally, customers & employees must wear face coverings. Stores must also provide special shopping hours for high-risk individuals, erect physical barriers between customers and cashiers and baggers where practicable, regularly sanitize areas used by their employees, & more
- All non-essential construction across New Jersey will CEASE, indefinitely, effective 8:00 PM Friday.
 - Exceptions include projects at hospitals and schools, projects in the transportation and public utility sector, the building of affordable housing, other individual housing sites that can adhere to strict limits on the number of workers on-site, and other limited instances.

Executive Order 125, signed on 4/11/2020, directing New Jersey Transit and all private carriers to cut the capacity on all trains, buses, light rail vehicles, and paratransit vehicles to 50% of their maximum. NJ Transit and all private carriers will be required to provide their employees with gloves and face coverings. All riders will also be required to wear a face covering when traveling through NJ Transit or with a private carrier, unless they absolutely cannot for medical reasons.

Additionally, Governor Murphy has expanded the requirement to wear a face covering to ALL customers heading into any one of the restaurants and bars that remain in operation as they get their takeout orders. Restaurants and bars must now give face coverings and gloves to all their food-service personnel. A face covering does not mean a medical-grade mask. There are any number of ways you can cover your mouth and nose with a bandana or a homemade fabric covering.

Executive Order 133, signed on 4/29/2020, re-opening state/county parks and golf courses. Here is what you need to know:

- Playgrounds, visitor centers, pavilions and restrooms will remain closed
- Parking will be capped at 50%
- Social distancing will be mandated
- No picnics, organized activities, or team sports will be permitted

As per Governor Murphy's announcement on 5/4/2020, all schools will remain closed for in-person instruction for the remainder of the school year in order to protect the health of students, educators, and their families.

Executive Order 138, signed on 5/6/2020, extending the State's public health emergency for an additional 30 days.

Executive Order 142, signed on 5/13/2020, which allows the following:

- **The restart of non-essential construction, effective 5/18/2020 at 6:00am.** Safeguards must be put in place, including clear posting of safety protocols, preventing overcrowding, prohibiting non-essential visitors, staggering work hours and breaks, and ensuring proper sanitation.
- **Non-essential retail stores to reopen for curbside pickup, effective 5/18/2020.** No customers will be allowed inside.
- **Drive-in events under social distancing guidelines, effective immediately**

Executive Order 143, signed on 5/14/2020, allowing beaches, boardwalks, lakes, and lakeshores to remain open with social distancing measures in place. The Order takes effect on Friday, May 22. The Order further states that restaurants and bars located on the beaches, boardwalks, lakes and lakeshores are still limited to delivery and take-out services only and that amusements parks and arcades, and other places of public amusement located on the beaches, boardwalks, lakes, and lakeshores remain closed.

Executive Order 145, signed on 5/15/2020, allowing for the resumption of elective surgical and other invasive procedures, effective May 26th.

Executive Order 147, signed on 5/18/2020, allowing some additional outdoor recreational areas and businesses to restart their operations, effective 5/22/2020:

- Golf ranges
- Batting cages
- Horseback riding
- Private tennis clubs
- Community gardens
- Shooting and archery ranges

Executive Order 148, signed on 5/22/2020, lifting the limit on outdoor gatherings from 10 individuals to 25 individuals. Indoor gatherings remain limited to 10 people. Additionally, public and private recreational campgrounds may reopen, effective immediately, but social distancing must be adhered to.
