Food/Drug/Pet Recall: Sunshine Mills, Inc.

Sunshine Mills, Inc. is issuing a voluntary recall of Nature's Menu® Super Premium Dog Food with a Blend of Real Chicken & Quail because of the potential to be contaminated with Salmonella. Salmonella can affect animals eating the products and there is risk to humans from handling contaminated products, especially if they have not thoroughly washed their hands after having contact with the products or any surfaces exposed to these products.

Healthy people infected with Salmonella should monitor themselves for some or all of the following symptoms: nausea, vomiting, diarrhea or bloody diarrhea, abdominal cramping and fever. Rarely, Salmonella can result in more serious ailments, including arterial infections, endocarditis, arthritis, muscle pain, eye irritation, and urinary tract symptoms. Consumers exhibiting these signs after having contact with this product should contact their healthcare providers.

Pets with Salmonella infections may be lethargic and have diarrhea or bloody diarrhea, fever, and vomiting. Some pets will have only decreased appetite, fever and abdominal pain. Infected but otherwise healthy pets can be carriers and infect other animals or humans. If your pet has consumed the recalled product and has these symptoms, please contact your veterinarian.

The recalled products were distributed in retail stores nationally and can be identified with the following UPC 7015514363 and UPC 7015514365.

The product comes in a 3-pound bag with the following lot codes:

TE1 20/April /2020, TE1 21/April/2020, TE1 22/April/2020, TE2 20/April /2020, TE2 21/April/2020,

TE2 22/April/2020, TE3 20/April/2020, TE3 21/April/2020, TE3 22/April/2020.

The product comes in a 13.5-pound bag with the following lot codes:

TB1 20/April /2020, TB1 21/April/2020, TB1 22/April/2020, TB2 20/April /2020, TB2 21/April/2020,

TB2 22/April/2020, TB3 20/April/2020, TB3 21/April/2020, TB3 22/April/2020.

There are no other Nature's Menu® products or other lot codes of the Nature's Menu® Super Premium Dog Food with a Blend of Real Chicken & Quail affected by this precautionary recall.

No illnesses, injuries or complaints have been reported to date.

The potential for contamination was noted after the firm was notified by the Georgia Department of Agriculture when a sample of a single 3-pound bag of the product was collected and tested positive for Salmonella. The firm conducted testing of multiple samples of the same lot which all tested negative for Salmonella. Salmonellamay not be evenly distributed throughout a lot which

is why it could have been found on one sample and not on multiple other samples of the same lot. However, out of an abundance of caution, Sunshine Mills, Inc. has chosen to issue a voluntary recall of the above-referenced lots of Nature's Menu® Super Premium Dog Food with a Blend of Real Chicken & Quail.

Retailers who received the recalled lots have been contacted and asked to pull these lots from their inventory and shelves. Consumers who have purchased Nature's Menu® Super Premium Dog Food with a Blend of Real Chicken & Quail from the recalled lots should discontinue use of the product and may return the unused portion to the place of purchase for a full refund. Consumers may contact Sunshine Mills, Inc. customer service at (800) 705-2111 from 7AM to 4PM Central Time, Monday through Friday, or by email at customer.service@sunshinemills.com for additional information.

This is a voluntary recall being conducted in cooperation with the U.S. Food and Drug Administration.
